**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of broadband and I love having a local option for unbundled Internet. My local carrier provides far superior service and customer service than my prior carrier Comcast. My local provider also provides hundreds, if not thousands, of well-paying jobs and gives employees a strong sense of ownership of their product and customer service. Please continue to allow access to unbundled internet.
